

03.03.2023

Dear Parents,

The topic of this week was “Balls and Balloons” and the children learned about circles and ovals. Throughout the week, we pointed out that real objects have a shape: a ball, our wall clock, a drum are shaped as a circle, an egg, a football, a face are shaped as an oval. During art, the children colored on a construction paper cut as a balloon using different colored of do a dot markers. They glued on a construction circle foam shapes and oval foam shapes making patterns (with the help of the teacher!).

During Circle Time, we sang the Wheels On The Bus, Rollie Pollie and 5 Red Balloons.

Playground time was fun: we made piles of leaves and played with it, walking in, throwing the leaves in the air, and jumping in! We also played with the parachute, lifting it up and down.

Music Class was great, they loved playing with the drums using a mallet and listened to the story: Pete the Cat and the 5 Little Ducks.

Have a wonderful weekend!

Mrs. Murielle, Ms. Lauren, & Ms. Shayla
