

09/09/2022

Hello Parents,

This week our students from Rainbow and Orange Door, learned about "Dinosaurs". During Circle Time the teachers showed the kids pictures of different types of dinosaurs, as we also learned some dinosaurs' names such as: "T-Rex, Stegosaurus, and Spinosaurus". The letter of this week was the letter "D". We reviewed some things that start with the letter "D". All the kids had so much participating during Circle Time.

For art: The children traced, colored, and decorated the letter "D". On another day, the kids painted a paper plate using their favorite color, the next day the kids added the legs, head, and tail to make a dinosaur. The kids also used construction paper and paint to make some dinosaurs' footprints. During the week the kids painted a background using different colors of paint. The teachers helped by adding dinosaur silhouettes. We made a dinosaur wall art.

This week we did not have music, but the kids from Orange Door had so much fun at the Jungle Gym Bus.

Our kids from Rainbow Door had fun with the storyteller visit that we had on Friday :)

Our children enjoyed so much the theme of "Dinosaurs".

Parents, please don't forget to take blankets home all Fridays.

Have a great weekend,

From Rainbow and Orange Door Teachers,

Mrs. Zamira, Mrs. Mireya, Mrs. Miriam & Mrs. Carolina
