

10.14.2022

Hello Parents,

This week we learned about "HARVEST". The kids were taught about the meaning of harvest and what we harvest. We showed them some fruits and vegetables that we harvest during this season. They were so excited and learned so much about it. We did our morning songs, calendar, weather, etc.. This week we visited the garden and showed the kids how we plant tomatoes and soon they will be harvested.

ART: For art activities this week the kids in Rainbow and Orange door made a fall wreath using a paper plate, crayons, and fall leaves. We also made corn using yellow and green construction paper with orange, yellow, and brown tissue paper. On another day we made an orange fruit using orange Do-A-Dot markers, a small paper plate, and green construction paper. Orange Door kids made a cornucopia where they added different fruits and vegetables.

Music class was as FUN as ALWAYS!

Orange Door had a wonderful time with the museum show!
Rainbow Door had fun with the story teller!

NOTE:

Rainbow Door student of the week (Oct. 17) will be IRIS BARRIOS.
Orange Door student of the week (Oct 17) will be CONNOR BARROW.

Enjoy a wonderful weekend!

Rainbow and Orange Door teachers:

Mrs. Zamira, Mrs. Mireya, Mrs. Miriam & Mrs. Caroline
