

05/07/2021

Dear Parents,

This week, all the children's thoughts and hard work were dedicated to their Moms. During Circle Time, the children learned that Mother's Day is a very special day when we can express love, respect, and thanks to our Mothers. The day is observed by giving gifts, visiting, or taking our moms out for dinner and/or a celebration. We talked about our moms and what do we like to do with them, what is their first name, and what is the food we like her to prepare for us. The children also learned how to say Mom in a different language.

Our projects were entirely and exclusively for Mom: this involved a lot of painting, decorating, gluing and LOVE!

Storytime was about the unconditional love a Mom has for her children: Mom always loves you, even when you are not behaving! And Mom loves you forever.

Reminder: Student of the week Please bring a poster.

-Due: 05/09/21: Liam Rojo & Ammar Shahid

-Due 05/16/21: Isabella Castillo & Alfredo Quintero

Quote of the week:

"The heart of a mother is a deep abyss at the bottom of which you will always find forgiveness."— Honore de Balzac

"My mother is pure radiance. She is the sun I can touch and kiss and hold without getting burnt." — Sanobar Khan

This week, we had our teacher appreciation lunch for our class. We want to thank every one of you for your time, and your appreciation. Everything was delicious!

Happy Mother's Day! We love you!

Mrs. Miriam & Mrs. Murielle
