Dear Parents of Green Door and Red Door 1 and 2,

We would like to welcome Nicolas and Max to the Kids for Kids Academy Family!

We had a great week learning about our face and body parts (eyes, ears, nose, mouth, tongue, teeth, chin, cheeks, arms, and legs). During Circle Time, we sang different songs such as "Head, Shoulders, Knees, and Toes", "One Little Finger", and "Where Is MyHhead, Nose, and Ears?". Throughout the day we practiced naming and pointing at our body parts, all the children are making a lot of progress getting to know their bodies.

For small group, we practiced working on puzzles and pegs, the children really enjoyed the activities.

Toddler tips

If your toddler runs away from you in public, practice with them before going out by playing "stop and go" so they understand the concept of both.

***Reminder:** Please bring extra clothes including socks, 4 sippy cups, and a family picture. Please cut your child's nails to avoid any accidents.

Thank you, have a fun and safe weekend!
