

04.05.2024

Dear Parents,

This week, our topic was all about "bunnies and eggs". We got busy preparing for our "eggs hunt" event doing projects and practicing (more than usual) to pick up toys and putting them in a container during clean up time.

For Art, the children decorated their 'Easter bag' with egg shapes and stickers. They colored a construction paper using chalk and the teacher cut it into the shape of a bunny. They pasted brown tissue paper to make a nest and glued a chick shape.

During Circle Time, we sang and did the finger play "Here is a Bunny" and also sang "Hop Little Bunny".

We thank you for coming to the egg hunt event, it was nice to see you all, even for a short time. The children were happy to have you and that's why they were upset when you left. We know it's hard for you as for the children, but most of them calmed down within 5 minutes. It will get better every year!

Have an "Eggcellent" weekend!

Ms. Murielle & Ms. Lauren
