

1/21/22

Dear Parents,

Time is flying and there is so much to do and learn 😊!!

The students went really fast during our math meetings, we covered up to Lesson 4.10; do not worry if the lesson plans for next week read "Lesson 4.10" I just tweak the lessons as we go along because sometimes we have to slow down and other times we go fast! We will probably have a chapter test next week!

For Language Arts we covered "poems," rhythm within a poem, multiple meaning words, three consonants' blends, possessive nouns, and compound words. The students wrote their first poem about their favorite animal.

This week we focused on Social Studies, the students learned about how some citizens' contributions were important. We read and learned about Sitting Bull, Susan B. Anthony, Rosa Parks, and Cesar Chavez among other great citizens.

The students will have their spelling/high frequency/vocabulary test on Wednesday and on the same day I will introduce the new words.

Next week is finally a regular week, please have your child at school promptly by 8:30 AM to help him/her settle down and get ready to learn!

I hope you all have a fantastic weekend 😎

Love,

Ms. Audrey
