

12/17/2021

Dear Parents of Red Door,

This week, our topic was Winter and the color white. The children learned that when it's cold, we dress differently; we wear more clothes to protect us from the cold. For example, we need to wear a jacket when it's cold outside. We also continue to do projects for Christmas.

To fully understand the notion of "COLD", we had a cool sensory activity: the children played with ice cubes. They could touch the ice cubes and then observed them melt in their hands and on a tray. The ice cubes were cold, wet and slippery and so fun to touch and play with.

Throughout the week, the children continue to enjoy the different areas of the class; they play together and it is interesting how many of them already know the name of their friends.

Music Class was again a big success: every Tuesday, the children wait for Ms. Clarice and listen to her songs and participate in playing with an instrument. This week, they play with bells shaker listening to Jingle Bells.

As this letter is the last of 2021, we want to wish you a Merry Christmas and a Happy New Year 2022. Thank you for your wonderful gifts and attention to us.

Have a wonderful weekend!

Mrs. Mireya and Ms. Lauren
