Dear Parents,

We had a great time with the children for our second week of Holiday topics and we talked about the Christmas tree and the decorations, Santa Claus and his reindeer.

We had a lot of fun dancing and listening to more Christmas songs throughout the week: they really loved Jingle Bells as they played at the same time with the bells and shakers and they enjoyed dancing to the rhythm of "El Burrito Sabanero".

As we are approaching the end of the year, meaning that most of our children have been with us for 4 months, it is incredible to see all the progress they have made. Language is emerging, friendship and bonding are forming, gross and fine motor are developing, independence is acquiring and some mischief is also happening!!

Your children are wonderful and loving and each of them is unique. In another word, we are very fond of them. We hope you like the projects they made especially made for you.

This is the last letter of the year and we are grateful and happy for the upcoming winter break but we will surely miss our little munchkins. We wish you a Merry Christmas and a Happy New Year 2022!. We hope you will have a great time with your family.

Thank you for your gifts and good wishes.

Have a lovely weekend!

Mrs. Murielle, Mrs. Zamira, & Mrs. Lauren
