Dear Parents of Blue Door,

Hello ! This week we talked about our Moms. During Circle Time the teacher asked the children what are some of the things they like to do with their mommy. A lot of the children said they like to go to the park with mommy, they like to eat ice cream with mommy, they like making cupcakes and cakes and going to Target to buy treats with mommy . The teacher also asked what were some of the things they do at home with their mommy . All of the children's responses were so cute 😊

For art, the children worked on their surprises for mommy. They loved painting their masterpiece for mommy using different color paints. They made handprints for their mommy with a very special poem which was very nice. Each child was asked to draw a picture of the things they like to do with mommy. We have those hanging in the classroom, Using cup cake liners they made flowers for mommy. They did a great job 🌸

On the playground we love to play. Every week we practice our gross motor skills. This week the children jumped in place, threw the balls, marched, and ran around the playground.

Blue Door teachers would like to wish all the moms a very 🌹 Happy Mother's Day 🌹. We know we are early but enjoy your day to the fullest 🌸

" To the world you are a mother, To your family you are the world "

🌸 Have a great weekend 🌸
