

09/10/21

Dear Parents of Rainbow Door,

Hello! This week's topic was "All About Me." During Circle Time, the teacher talked about how unique and beautiful everyone's features were. We admired each other. The children shared their hair color, eye color, age, and favorite toy with the class. We also discovered what everyone's favorite color was, and the results were over the Rainbow! We sang and danced to morning songs and reviewed the days of the week, months of the year, the alphabet, and counting from one to twenty.

For art, the children used paint to cover their hands and printed them on a piece of paper. They decorated their unique handprints with smaller pieces of colored paper. Furthermore, the teachers used aluminum foil to create a hand mirror for each child, and they decorated each one beautifully. The children also colored a self-portrait. They loved making art with their favorite colors and decorations.

To strengthen their gross motor skills, the children played basketball on the playground and rode bicycles, went up and down the stairs, and hopped across the playground.

Parents, please do not forget to wash your child's blanket to be returned to school Monday. If your child's potty training is being continued at school, please send pull-ups. Also, send a clean change of clothing if your child has brought home dirty clothes during the week. Please practice wearing a mask with your child at home, so it makes it easier for them to wear it at school. We appreciate all that you do.

"Try to be the rainbow in someone else's cloud." – Maya Angelou

Thank you, and have a wonderful weekend!

Mrs. Miriam Salas

Ms. Fabiana
