Dear Parents of Silver Door,

A reminder that Our End-Of-The-Year Drive-By will be happening for our Kindergarten and 1st Grade students!!!. We will begin our celebrations in the afternoon between 2 pm - 4 pm on June 9th, 2021. All pictures, gifts, and certificates will be given out during this time. If you have any questions please feel free to message me through the Brightwheel app.

Also, Monday May 31 is Memorial Day. The school will be closed.

In Language Arts, we did another week of reviewing. This week the students reviewed the sounds oa/ow, the short oo sound, the long oo sound, and endings -s -ed and -ing. We also reviewed what are proper nouns, compound words, pronouns, and action words. We played the game, " Make the Word", where the students had to make words with the sounds that we reviewed. We also played, " Create a Compound Word", where the students had to find two words on the board and put them together to form a compound word. Next week will be our last week of review.

In Math, we did our last lesson of First Grade. Our lesson was on graphs and data. This week the students learned how to read a picture graph and a bar graph. They also learned how to make a picture and bar graph. Next week we will be finishing our lesson.

In Social Studies, the students learned many different topics. First we learned what are producers, sellers and buyers. Then we learned what it means to make a choice and when something is scarce. Lastly, we learned what it means to be a good citizen. Next week we will be finishing our Social Studies book.
