

11/12/21

Hello Parents of Silver Door,

A couple of reminders:

\*On Thursday, November 18, it is Picture Day for our class. It will be individual pictures.

Students may come in nice dress clothes and bring their uniform in a bag.

\*On Friday, November 19, it is Our Class Feast. Outside is our list of everything we will need.

Please make sure you sign up.

Also, we had an indoor field trip on Wednesday. The Reptile Discovery came by and showed us turtles, alligators, crocodiles, and snakes. They also told us a lot of interesting facts about each one.

In Language Arts and Reading, our essential question was, "Where do animals live together?" This week was all about the different places our animals live such as Antarctica, the forest, the bayou, and the farm. We didn't have a vowel sound this week, but we did practice our end blends, which are words that end with -nd, -nk, -mp, -sk, and st. The students also learned what a fact is and had to write a fact sentence on an animal that they chose. We also learned that adding the ending -ing to an action word means that the action is happening now. Our story of the week was, "Babies in the Bayou", which was about all the different animals that live in the bayou.

In Math, the students continued on with Chapter 4. This week the students learned how to use a number line count back by 3. They also learned how to solve word problems by asking them to find the missing number in a subtraction sentence. We ended the week by playing a game of subtraction bingo. The students loved it and wanted to keep on playing.

In Science, our topic was describing how objects move. First, we did an experiment by testing out a wind-up toy and seeing how it moved. Then we talked about all the movement words we use such as: backwards, forwards, zigzag, straight, round and round, fast, and slow. Next week we will be doing our last topic of the lesson.

"Open different doors, you may find a you there that you never knew was yours. Anything can happen." – Mary Poppins.

Have an awesome weekend!!

Ms. Sammy
