Dear Parents,

What a great and fun week we spent having our own "Spring Break"! During Circle Time, we sang silly songs such as "Sticky Bubble Gum", "Let's Get the Rhythm", "The Elevator" and "Tootie Ta".

Story Time was exclusively dedicated to funny stories: the children had a good laugh listening to "Mrs. Nosh Hangs Her Wash", "The Mouse Who Wanted to Marry", "Cows To the Rescue" and "Bear Wants More".

This week, our playground got a renovation and we went to the soccer field on Monday and Tuesday. The children played with balls, practicing kicking and running with a ball. We made a path with plastic boards and they had fun jumping from one to another and finally, they played "Duck, Duck, Goose".

On Wednesday, we went back to our new brand playground and they all agreed it is beautiful. We did not want to leave, so we stayed for lunch and had a picnic!

For Art, the children were free to use any material they wanted to create: painting, collage, coloring, do.a.dot markers.

On Tuesday, the children could enjoy the fruits of their hard labor: for lunch, they had a mixed salad with the veggies grown in our garden: red and green peppers, broccoli, and tomato. It was amazing to see that they were all eager to taste them, even if they would not eat them. At least, they tried and we are very proud of them!

Next week, we will celebrate Easter and will have an egg hunt on Tuesday. The letter for next week is the letter U. Please bring a written word and/or pictures starting with this letter.

Student of the week reminder:

Quotes of the week:

Have a great and relaxing weekend!
