Dear Parents,

Happy second week of summer camp! We had great week in Rainbow Door!

This week we learned about “Awesome Me”! We taught the children how to identify and talk about their emotions such as happy, sad, angry, surprised, and sleepy. In art, the children made happy face puppets with popsicle sticks, plates, yarn, glue, and crayons. We learned about the attributes of colors, and the children explored mixing two colors together, to reveal a new color, with paint. For math, we arranged colored squares by color. Our read aloud books this week, were “The Little Red Hen”, and “How Do You Feel”.

Next week, we will begin week 3: “Social Me”.

Have a wonderful and safe weekend! Please remember to bring back their blankets and pillow nice and clean on Monday! Thanks!

With much LOVE,

Mrs. Luz and Mrs. Melanie
