Dear Parents of Yellow Door:

This week we learned about colors and shapes. During Circle Time the teacher put out the different colored Legos and had each child pick out the color she said. For Art, the children had a great time doing the shape-sorted sticky foamies craft. On a piece of construction paper, shapes were drawn, and then the child had to match the sticky foamies with that shape. Using craft sticks they made a triangle or square. The ice cream shape activity was also lots of fun. Using different shapes such as the circle, triangle they made an ice cream cone.

Parents, please wash your child's blanket and return to school nice and clean with extra clothes and pull-ups.

"Adults are just outdated children." Dr. Seuss

Thank you for your gifts, they are truly appreciated. Thank you for the privilege of allowing us to care for and teach your children.

Have a great weekend!

Mrs. Nina

Mrs. Tayra
