

04.26.2024

Dear Parents,

This week, our topic was all about “Dinosaurs“! The little ones loved this week's topic as we talked about all the different kinds of dinosaurs, sang dino songs, read fun books about dinosaurs, and marched around like dinosaurs around our class.

The children had a chance to play in all center areas like Art 🎨, Blocks 🚂, Housekeeping 🧹, Library 📖, and Science 🔬 and Discovery 💡

During Circle Time, we listened to the “Good Morning ☀️” song along with “Baby T-Rex 🦖”, “10 Little Dinosaurs”, “We Are The Dinosaurs”, and “I’m A Baby T-Rex”!

While outside during playground ☐ time, we took some time to practice our gross motor skills like throwing a ball, climbing up and down the stairs, freeze dancing, and going down the slide! 😊

For our craft this week, we used dinosaur toys and an ink pad to make Dino footprints! We also read two dinosaur-themed books for small group! The first one is called “How Do Dinosaurs Get Well Soon?” And the second one is called “Dinosaurios Gigantes!”

To develop our fine motor skills, we played with some Play-Doh and used various cookie cutters to play and work with our fingers! 👍

Parents, let's encourage our little ones to eat with spoons and drink out of cups all by themselves! It will be messy, however, it will be so beneficial for them in the long run! Let's work together so that your child can succeed! 🤝👍

Reminder: If your child is sick please keep them home until better. Bringing them to school sick only allows for them to not get better quickly and also gets the other children and teachers sick as well! Thank you for your cooperation! 😊👍

Please be sure to bring back your child's blanket and pillow nice and clean for next week! Have a wonderful and safe weekend! 😊❤️

With much LOVE,

Ms. Ashley and Ms. Yeysleydys ❤️
