Dear Parents,

This week, our topic was "Winter" and we focused about the color white and winter clothes. The children learned that when it's cold outside, we wear different types of clothes that help to keep us warm such as: pants, long sleeve shirts, jackets, hats, and mittens, so we stay protected from the cold.

During Art / small group, the children made a " snowstorm" painting: they dipped their fingers into white paint and made fingerprints on black construction paper. Our sensory activity was to mix white paint with red, and black paint: they could observe the change of colors: the red became pink and the black became grey!

We were glad to welcome back Ms. Clarice for Music Class, we all enjoyed it while listening to her songs and shaking the egg shaker.

Quote of the week: "Winter is the time for comfort, for good food and warmth, for the touch of a friendly hand and for a talk beside the fire: it is the time for home." — Edith Sitwell

Have a wonderful long weekend!
