

05.10.2024

Dear Parents,

This week, our topic was all about “The community helpers”. Red Door is learning about the different people who help the community with their profession. Every day we talk about different people who carry out their work such as: 

The children had a chance to play in all center areas like Art , Blocks , Housekeeping , Library , and Science  and Discovery 

During Circle Time, we listened to the “Good Morning song ” and the community helpers song. We also read books: The Police Officer Book, Firefighters Book, Rescue Boat, and Ambulance Book.

While outside during playground  time, we took some time to practice our gross motor skills like throwing a ball, climbing up and down the stairs, freeze dancing, and going down.

For this week's small group, we were working on the people who help the community. We made a police car using a plate, blue do-a-dot markers, black, red, and white construction paper, and glue. We also talked about the community helpers and using the toy characters we have in class. We also rolled a fire truck and a police car on paper and black paint. Finally, we made a garbage truck using construction paper, tissue paper, and glue.

Parents, let's encourage our little ones to eat with spoons and drink out of cups all by themselves! It will be messy, however, it will be so beneficial for them in the long run! Let's work together so that your child can succeed! 

Reminder: If your child is sick please keep them home until better. Bringing them to school sick only allows for them to not get better quickly and also gets the other children and teachers sick as well! Thank you for your cooperation! 

Please be sure to bring back your child's blanket and pillow nice and clean for next week! Have a wonderful and safe weekend!  

With much LOVE,

Ms. Ashley and Ms. Yeysleydys
