Dear VPK Parents,

It is the first week in our new classroom. We're very excited and look forward to this new school year—it will be a great one! Important note: There are 2 VPK classes. Since we all share the same curriculum, one letter will be sent every week to include activities in the two classes. Each week, teachers will alternate taking turns writing the letter.

Small Group

During the first week of school, our students have been transitioning and getting adjusted to their new classroom and routine. They have been doing very well with learning the classroom rules. We also went over the classroom jobs and gave everyone a chore. Every morning, we recite the Pledge of Allegiance and the Star Spangled Banner, greet each other, point at the alphabet while singing the ABC, count up to 30, and do the calendar. At the beginning of the week, we introduced ourselves and had the children introduce themselves to each other. Every student has his/her own art supplies and does not share supplies at any time.

We look forward to a great year. Please stay in touch through Brightwheel if you have any questions or concerns.
