

03/31/2023

Dear Parents of Yellow Door,

✨ This week's theme was 🌸 spring 🌸. We talked about spring, flowers, spring colors, spring weather, and we also counted to "20"! How exciting!

✨ For small group, our little ones tapped into their inner artists 🎨 and created beautiful free art! We used construction paper, markers, do-a-dots, and paint 🎨! We also played with Play-Doh and made spring flowers and butterflies! 🌸蝶

✨ During Circle Time, we practiced counting all the way to 20, we sang the ABC's, Counting Rock Song, Sticky Bubble Gum, and the 7 days of the week!

✨ For music and movement, we danced to the Freeze Dance, Listen 🎧 and Move 🎵, Baby Shark 🐟, and Head, Shoulders, Knees, and Toes!

✨ For 📖 story time 📖, we read interesting books such as: "Spring is Here!", "The Very Hungry Caterpillar 🍎", "A Color of His Own", "Good Night Sweet Butterflies 🦋", and "5 Green and Speckled Frogs 🐸" !

✨ While we have a tremendous amount of fun playing outside, we also practiced gross motor activities such as, kicking a ball ⚽, jumping with one leg, running around the playground, crawling under the tunnel, and using the stairs to go up and using the slide ⛹ to go down.

✨ The children also enjoyed art 🖌️ area, blocks area, housekeeping 🧼, library 📖, science 🧠, science 🧠, and discovery areas!

★ Reminder! ★

Parents, please ensure that we are continuing with potty-training at home! Your little ones are doing so well but we should also be practicing at home! Remember, teamwork makes the dream work 😊!

✨ We hope that you all have a magnificent weekend 😊 ! Stay safe and we will be eager to see you all again next week! ✨

With love,

Mrs. Yanet, Mrs. Yeysleydy, and Ms. Ashley, ❤️ 😊 ✨
