

07.22.2022

Dear Parents,

This week we traveled to “Mexico”. We talked about the colors of the flag. Also we talked about the different culture and traditions such as Cinco de Mayo & El Dia de Los Muertos.

For art, the children made a Mexican flag using construction paper, they colored it green, white, and red and then they added red and green tissue paper. The children enjoyed making a Mexican figure with an empty paper roll, they glued different colors of strips, then they added a sombrero (hat) and mustache.

Also, the children made a Mexican hat using yellow construction paper, paper strips, and confetti. Using construction paper & crayons the children made a cactus. Finally, but not least, they had fun with the homemade piñata the teachers made for them.

Wishing you all an enjoyable weekend!

Ms. Zamira and Ms. Kasey
