Dear Parents,

This week was all about celebrating! We celebrated the "Hispanic Heritage" as we immerse completely in full Spanish mode: we had a lot of fun speaking and singing in Spanish.

During Circle Time, the children could hear the Spanish version of Itsy Bitsy Spider (la pequeña araña), we sang "Buenos Días" (Good Morning) to introduce each other, and we also sang los pollitos dicen pio, pio, pio (the chicks say peep, peep, peep) and uno, dos, tres chocolate (one, two, three chocolate). As Latin music is very favorable to moving your body, we danced listening to different children's Spanish music such as "La Cucaracha", "Cuando Juanito Baila". Their favorite one was "Palomitas de Maiz" from Jose Luis Orozco as they tried to jump like popcorn!

For Art, the children colored with chalk on construction paper and they decorated and traced Mexican hats with tissue paper.

Our other celebration was Kayleigh's first birthday. We sang Happy Birthday several times to her and enjoyed a "happy meal" together.

Have a wonderful weekend with your family.
