Hello, Parents of Silver Door 1,

I would like to thank each and every one of you for your cooperation while we navigated between zoom and in-person classes. I truly have amazing students and parents. I believe everyone did their very best as we worked on Language Arts, Reading, and Math this week. A couple of reminders:

- Next week on Wednesday, January 12th is our indoor field trip
- On Monday, January 10th, we are having our Spelling, Sight, and Unit Test
- On Friday January 14th we will be having our Chapter 6 math test

I cannot wait to see everyone's face on Monday January 10.

Have a safe and happy weekend!!

Ms. Sammy
