

06.03.2022

Dear Parents,

This will be our final weekly newsletter of the 2021-2022 school year. Before we say some important information, we would like to say how wonderful this school year was. It has been such a pleasure being able to teach your children during their Kindergarten year. They have worked so hard in learning and studying. They have left a special place in our hearts, and we hope they won't forget their Kindergarten teachers. We wish them success in first grade and beyond!

Now, next week will be a fun spirit week. On Monday 6/06, is Disney Day. Tuesday 6/07 is Sports Day. Wednesday 6/08 is Cozy Day. Finally, Thursday 6/09 is our End of the Year ceremony. Please be at the Country Walk Clubhouse at 9:15am in order to promptly start at 9:30am. Students will be able to go home after the ceremony, there is no school afterwards.

This week we did a lot of cleaning up and getting prepped for the ceremony. We took some time to also review some long vowel words and really discuss all the amazing things we learned this year along with some favorite memories like field trips, holidays, and more.

A final thanks for entrusting us to educate and love on your child for their Kindergarten year. We hope you have a wonderful and safe summer!

With love,

Ms. Adriana and Mrs. Wanda
