

12/03/21

Dear Parents of Red Door,

We had a very interesting week as our topic was "Counting is fun!". During Circle Time, we sang: "5 Little Monkeys", "1,2 Buckle My Shoe", "The Ants Are Marching One By One", "This Old Man", and "5 Little Ducks". At the end of Circle Time, we did some exercises and danced to the song "Shake Your Sillies Out".

Every day, the children enjoyed playing in different areas of the classroom. Their favorite activities of the moment are to play with Legos and reading books in the library.

For Art, the children made handprints on construction paper using different colors of paint and then counted how many handprints they made. They also used the material of their choice for free art. During small group, they played with Play-Doh to help them to develop their fine motor skills. They remembered that the color orange was the color of a pumpkin! Throughout the week, we practiced counting with the children while we played with puppets, Legos, blocks, and other toys.

Every Tuesday, the children are very impatient to see our wonderful music teacher, Ms. Clarice and enjoy listening to her songs and story.

Have a wonderful weekend.

Mrs. Mireya & Ms. Lauren
