Dear Red Door Parents!

This week our theme was "All about me".

Circle Time/music: We sang and danced to "Good Morning song, Juanita Cuando baila, one little finger and if you're happy and you know it"

Small group/art: On Monday we showed each child pictures of all their friends in the class and their names. Then they showed them a picture of themselves and asked the children "who is this!" Tuesday, we learned about our body parts for example eyes, arms, ears, nose, feet etc! Wednesday we had fun with foam paint! We applied the paint to construction paper and the children felt, squished and smeared the paint to make their own art. Thursday, we used black construction paper and chalk to scribble. Friday, we used Play-Doh to make simple shapes!

Storytime: "From Head To Toe, Nose to Toes You Are Yummy, I Am a Big Kid, My First Book All About You: Nose, Finger, Toes, Is This My Nose".

Playground : The children's favorite time of the day! Going up and down the slide, swinging on the swings, kicking the ball, riding their tricycles, and running with their teachers and bubbles!!🌈

Have an amazing weekend!

Ms. Karla & Ms.Gabby❤️
