Dear Parents of Blue Door,

Hello! This week we learned about Spain. During Circle Time the teacher showed the children a picture of the flag and talked about the colors on it which are red and yellow. Some of the animals that live in Spain are the brown bear, Iberian wolf, and deer. The children were shown pictures of these animals. We played music from Spain consisting of flamenco guitar, it was a lot of fun to watch them March around the room with a musical instrument in hand.

For art, they made the flag of Spain by coloring the top and the bottom parts of white construction paper red and the middle yellow. They were also able to make their own Pericon, a traditional fan from Spain well known as one of their most important accessories. They colored half of a paper plate decorated it with mosaic sequence, with the help of the teacher they glued popsicle sticks to it.

Playing in the different centers is lots of fun. The kids' favorite thing to do is to play in housekeeping and in the block area. They also enjoy puzzles and rolling Play-Doh then making shapes with different kinds of Play-Doh cutters.

We can't forget soccer class, the children do soccer with Coach Jackie they love her. They learn and practice kicking and throwing the soccer balls. The kids also participate in obstacle courses where they run through cones and ladders.

I hope you are enjoying all the pictures being sent home through Brightwheel.

Please remember to wash your child's blanket and return it to school on Monday. Also please be sure to check that your child's nails are cut short and send in extra clean clothing for your child.

Have a great weekend!

Mrs.Cindi
