Parents of Yellow door:

This week we talked about garden. We went to our garden to see what was growing. We talked about the vegetables they saw in the garden. During art time we made carrots using Q-tips. We also used vegetables and apples to do stamp printing. They did this art project using a paper plate, paint, construction paper, glue, pre-cut vegetables and shapes. We reinforced the names of the fruit and veggie with puzzles and housekeeping items.

For Circle time we sang, dance and movements by: Good Morning; ABC, & Days of the Week, Counting Number Rock; Head, Shoulders, Knees and Toes; If You're Happy; The Wheels of the Bus; Sticky Bubble Gum; Elevator; Bingo; Old McDonald had a Farm; Action Song; Listen and Move; Freeze Song and Baby Shark.

In the Playground, the children kicked the ball, threw balls to one another, climbed the rock, jumped in place and ran 2 laps around the playground.

For Story time we read: Llama, Llama Misses Mama; No more Diaper for Ducky; Hand are not for Hitting; If You give a Mouse a Cookie; Pete the Cat: A Pet for Pete; Pete the Cat: Too col for School; Diapers are not for Ducky; The Very Hungry Caterpillar; Sorpresas en el Huerto; Eating the Alphabet; The Crunching Munching Caterpillar.

Please, wash your child's blanket and bring it back on Tuesda with clean clothes.

"Nothing that you can teach them is more important than the love you can give them."

Thank you,
Mrs. Nina
