

06.09.2023

Hello Parents of Gold Door!

We are Ms. Adriana (Gold 2) and Mrs. Wanda (Gold 1). We will be with your child this summer. We are so excited for the fun that is to come.

These two classes are kindergarten and first grade. Although we are separate classrooms we will be doing the same STEM projects, crafts, and read the same books. This week we just got to know each other and the classroom. We learned how to play different board games and got to know our summer friends. We enjoyed a fun music class with Mrs. Michelle where she introduced the continent song, the fifty states song, and we learned about the didgeridoo. This is a wind instrument from Australia. Soccer Coach Jackie played some fun games outside called On the River, Sharks and Minnows, and Number Game.

Some important reminders:

- Our Donuts with Dad event is Wednesday 6/14 from 7:30am-9am
- We do not nap, so please keep pillows and blankets home.
- Pack a change of clothes, water bottle, and a sweater. Our class can get cold.
- If you plan to arrive after 9:30am please send a message to us so we can count your child for lunch.

We hope you have a wonderful weekend,  
Ms. Adriana and Mrs. Wanda
