Dear Red Door Parents,

It was so amazing meeting your beautiful babies, thank you all for entrusting us with them we love them so much already! This week we have been slowly teaching the children to drink from cups and eat with a spoon so please leave your sippy cups at home! This week our theme is Fathers Day, we enjoyed projects for daddy and listening to stories, going on the playground, and moving our bodies with music!

Circle Time/music: we enjoyed the songs Good Morning, I Love My Daddy, Daddy Finger Where Are You, Daddy Is His Name O, I Have a Special Friend and His Name is Daddy O!" The children also met our music teacher Mrs. Clarice! We moved our bodies listening to the piano and guitar and heard an awesome story!

Storytime: we read "Me and My Dad, Daddy Hugs, I Love My Daddy, My Dad is Amazing, I Love My Dad With the VeryHungry Caterpillar".

Art/small group: we did projects for daddy and had lots of fun painting our hands the color blue and putting them on our paper and preparing a special card for dad!

Playground: We have lots fun! We run, pop bubbles, go up and down the slides, swing on the swings and drive our cars!

Have a wonderful weekend!
