Dear Parents of Blue Door,

Hello ! This week we talked about Winter ❄️. During Circle Time the teacher talked to the children about winter being the coldest season of the year. They were shown pictures of children wearing snowsuits, snow boots and playing in the snow. Snowflakes and all the different sizes they come in were shown to the children as well. When asked what clothing do they wear when it's cold a lot of the children answered coats, sweaters, hats and boots.

Some of the things that symbolizes Christmas are things such as the Christmas tree, Reindeers, Elves, , Santa Claus, Candy Canes and Christmas stockings. A lot of the children said that they already had their Christmas tree up at home and they helped decorate it. They are sooo excited for 🎅 Santa to come.

For art, the children had a great time making the Fingerprint Christmas Lights. They dipped their little fingers into paint and then onto lines that were made on construction paper to represent the lights . Paper plate Christmas Ornament was also lots of fun for them to make. Stocking art activity was fun, fun, fun. The children colored a stocking using different colored crayons and used Pompoms to decorate it or mosaic squares .

Mr. Turtle dance music class was lots of fun . The children jumped, waved their arms , clapped their hands and had a great time singing Christmas songs. He also spoke about Hanukkah . The kids also sang the dreidel, dreidel, dreidel song. We hope you are enjoying the videos and pictures that are being sent in bright-wheel.

For story time the children listened to these stories : The Number Book, We Are Going on a Bear Hunt, The Very Hungry Caterpillar, No More Diapers For Ducky, and Hands Are Not For Hitting.

These gross motor skills were practiced on the playground this week : the children jumped in place, stood on one foot, kicked the balls, threw the balls and ran one lap around the playground.

Please don't forget to wash your child's blanket .Please make sure their nails are short so that way they don't scratch themselves or their friends .

🌸 Have a great weekend 🌸
