Hello Red Door Parents!

This week the children of Red Door learned all about pets. We spoke all about the different types of pets we could have like, puppies, kittens, birds, hamsters and even fish! The children loved making the noises dogs make. Ruff Ruff! We sang fun songs like the Three Little Kittens, Bingo, and even the pet care song. This week we would also like to give a warm welcome to our newest Red Door student Emilia! She has been such an added bonus to our Red Door family!

For small group/art the children had a blast creating their very own dog masks. They love wearing them and saying ruff ruff ruff! For the dog mask the children used a paper plate, do.a.dot markers, a popsicle stick and glue. We also used a new technique in class this week called chalk art. With the teachers help they used a black construction paper, white chalk and pre-cut shaped to make a cat. Last, but definitely not least, the children used do.a.dot markers to decorate a dog or kitten paw.

For story time the children listened and followed along to Read To Your Bunny, Good Morning, Good Night, Spot's Baby Sister, I Love Ponies and Animals/Animales.

Parents, please remember to keep your child's nails short as to not scratch our friends while playing and to take home your child's pillow and blankets every Friday (if your child naps at school) and bring them back fresh and clean on Monday!

We hope all of our Red Door family has a wonderful weekend!

Ms. Karla
