Dear Parents of Rainbow Door,

Hello! This week we talked about "Hanukkah" and the celebration of the Festival of Lights. The children learned the importance of giving and sharing during this time as well as some symbols of this holiday. Some of those symbols include the Menorah, the Dreidel, and the Star of David. The children practiced sorting Legos by color and took turns sharing words that begin with letters A-H.

For art, the children showed off their skills by decorating a menorah and gluing candles to make a beautifully lit menorah. They also used blue paint popsicle sticks and glitter to decorate their own Star of David and used stencils, crayons, and tissue paper to decorate a dreidel. We practiced writing the letter A-H all on our own and enjoyed some time working on our journals.

For Storytime, we read Hanukkah: A Counting Book, Hanukkah Oh Hanukkah, Sadie and the Snowy Day, Mrs. Greenberg's Messy Hanukkah, and Numbers: Stop, Look and Learn.

Parents, please remember to continue working with your child at home as well. Reinforcement is very important. Please help your child in learning how to hold a pencil or crayon correctly, with more help they will learn faster.

Please, wash your child's blanket and return to school on Monday nice and clean Please LABEL EVERYTHING that belongs to your child with their name (shirts, pants, shorts, underwear, socks, fabric mask, and jackets/sweaters) this includes extra clean clothing. Also, send a clean change of clothing if your child has brought home dirty clothes during the week.

The student of the week (starting Monday 12-06-21) is "Anthony Gibbs"

Quote of the week: " Don't Stop until you're Proud"

Have an amazing weekend.
