Dear Blue Door Parents,

As we continue our theme of “My Family and Friends”, this week, we learned about My Community.

🐸 Circle Time: The teacher talked about the different community helpers there are and explained to the children that a community is a group of people who live, work, or play close to one another. Community helpers are people in our community who help keep us safe and healthy.

🐸 Literacy read aloud : Community Helpers and Better Things To Do

🐸 Math and science: This week, we learned how to group things when they all have something in common. This is called classification. The children enjoyed repeating the action rhyme “La carta.”

🐸 Steam: using blocks, the children made tunnels and roads for their cars.

🐸 Vocabulary: blue, circle, classification, rectangle, red, square, triangle and yellow.

🐸 REMINDERS 🐸

🐸 Please make sure to bring back your child's blanket and pillow for next week

🐸 When we send dirty clothes home, please send in a clean pair of clothes (in a Ziplock with your child's name on it).

🐸 Please make sure your child’s nails are cut short so that way they do t scratch themselves or their friends .

🐸 Have a great weekend 🐸
