Hello Red Door Parents!

This week we spoke about night and day in Red Door. What fun we had looking at the clouds during the day and counting them. One cloud, two clouds, three clouds! The children noticed how during morning playground we can still see just a little bit of the moon still saying goodbye. We spoke about how the moon and stars shine so brightly at night for us, while the sun and the clouds light up our days!

For music class, Ms. Clarice let the children of Red Door play on their drums with a mallet. She also read the fun story from Pete the Cat, The Five Little Ducks.

For art we had so much fun creating the project, the day and the night and the moon and stars! We used paper plates, paint, brushes, rollers and stamps!

For story time the children read and followed along to Turn and Learn: The Moon and Stars, Leo Sleep Tight, Good Night, Baby Animals You've Had a Long Day, Good Night ABC's, and My Bookstore Baby.

Parents please remember to keep your child's nails short as to not scratch our friends while playing and to take home your child's pillow and blankets every Friday (if our child naps at school) and bring them back fresh and clean on Monday! We hope all of our Red Door family had a wonderful and love filled Valentine's week.

Have a wonderful weekend Red Door family!

Ms. Karla
