

10.21.2022

Hello Parents,

The theme of this week was HALLOWEEN! We talked about what kids do on that day, what they like the most about Halloween and what is their favorite Halloween decoration. They all enjoyed sharing with us what decorations they have at their house. We did the calendar, morning songs, and ABC. The kids enjoyed so much talking about HALLOWEEN!

ART: The kids made a ghost using white paper, and black construction paper. We also made a witch using construction paper, popsicle sticks, and googly eyes. On another day the kids made a spider web by using white paint, construction paper, and then the kids glued spiders onto the spider web. We also made candy corn using different materials. The kids from Orange Door traced and decorated the letter Hh for "Halloween".

Music class was fun as always! The kids get very excited when they see Ms. Clarice.

NOTE: Rainbow Door student of the week (Oct. 24) will be SOFIA ALVAREZ. Orange Door student of the week (Oct 24) will be ANASTASIA C.

Please bring a poster with pictures of her, and their family, things that she likes to do and eat, dislikes, places she loves, favorite sport, animal, etc. YOUR CHILD WILL COME UP TO THE FRONT AND TALK ABOUT THE POSTER TO ALL OF US.

Have a wonderful weekend!

Rainbow and Orange Door teachers: Mrs. Zamira, Mrs. Mireya, Mrs. Miriam & Mrs. Carolina.
