Hello Red Door Parents!

What a week filled with love, caring and sharing we have had here in Red Door. This week our topic was Valentines, off course! The day we take to show our friends and family just how much we love, care and appreciate them. We also spoke about the colors red, pink and white. The children loved sharing hugs with their friends and practicing to say, I love you!

For music class we had a great time singing a playing peekaboo with Ms. Clarice's scarves. We threw them up and down. We moved them side to side and scrunched them up in our hands. It was so much fun!

For small group/art this week the children of red door had so much fun working with little hearts to create big gifts for their family. They used construction paper and glue to form a bigger heart to show their family and friends just how much they love you. They also worked on a special Valentine's Day card that will be going home today and were so excited to share and collect Valentine's Day cards with their friends on Tuesday.

For story time the children listened and followed along to You're My Little Cuddle Bug, Llama Llama I love You, I Love You Just the Way You Are, My Fuzzy Valentine and The Littlest Cupid.

For gross motor development the children enjoyed climbing up the stairs and sliding down the slide. They also had a great time playing you're it!, with their teachers. But best of all our resident Mr. Spider is still on his web! The children loved jumping up and down and waving at him!

Parents please remember to keep your child's nails short as to not scratch our friends while playing and to take home your child's pillow and blankets every Friday (if our child naps at school) and bring them back fresh and clean on Monday! We hope all of our Red Door family had a wonderful and love filled Valentine's week.

Have a wonderful weekend Red Door family!

Ms. Karla
