

01/08/2021

Dear Parents of Blue Door,

We would like to welcome to the Blue Door family: Calista Mejia, Leah Mora, Olivia Barrera, and Aiden Pierre.

This week the topic that the children learned about was Transportation.

During Circle Time the teacher talked about all the different kinds of transportation there is such as planes, boats, motorcycles, buses, school buses, trains, helicopters, and cruise ships. The children were also shown pictures of these transportations.

For art, the children made car prints by dipping the cars in paint and then onto construction paper. By using crayons they colored in an airplane and decorated a boat by using mosaic squares and coloring it in as well. The traffic light art activity was a blast, the teacher cut three circles and glued them onto construction paper and the children glued tiny squares of red, yellow, and green construction paper to the circle where it belonged.

Playing in the different areas is lots of fun for the children, they love to build with the blocks and play in the housekeeping area. They also put together different themed puzzles.

The stories that were read were: The Wheels on the School Bus, Hide and Seek, Road Safety, Dinosaur Train, Red Light, Green Light, and Goodnight Gorilla,

Parents, please make sure your child's nails are cut short so that way they don't scratch themselves or their friends. Please wash your child's blanket and return to school on Monday. Please, make sure everything that belongs to your child has his or her name on it.

Enjoy your weekend!!

Mrs. Cindy
Mrs. Miriam
