

10/22/21

Dear Parents of Rainbow Door,

Hi!! This week our theme was "Harvest". During Circle Time the teacher talked about that Harvest isn't just the act of picking fruits and vegetables from the vine, it is the Season for collecting the crops and celebrating the plentiful gifts our garden has brought to us.

For art, the children enjoyed painting a pumpkin with orange paint and Q-tips. Our kids had a great time tracing and coloring fruits and vegetables and gluing them on the cornucopia. Children also made a jack-o-lantern, they ripped orange tissue paper, and made little balls and stuck them on the pumpkin shape. Also, they made corn on red, orange, and yellow construction paper. Scarecrow craft was a lot of fun, they colored the scarecrow's face and glued google eyes and using yarn/construction paper strips, they made the hair and the last thing they did was glue a hat to it. They did a great job.

For storytime, we read: "Mouses's First Fall", "Sixteen Runaway Pumpkins", "Dora's Perfect Pumpkin".

During playground, the children threw the ball and jumped in and out of the hula hoop, and also they ran 2 laps around the playground.

Parents, please wash your kid's blankets and return clean to school on Monday. Please label everything that belongs to your child with his/her name. This includes extra clean clothing, coats, sweaters "Anything that belongs to your child"

Please, make sure their nails are cut short so that way they do not scratch themselves or their friends.

THE STUDENT OF THE WEEK (staring Monday 10/25/21) is: " OLIVIA CARBALLO".

Have a nice weekend,

Ms. Miriam S.

Ms. Karla
