

Dear Parents,

This week, Rainbow Door had a great time learning about pets! During Circle Time, the children were asked if they had pets and if they did to say what kind of pet they have, what their name is, and what color.

Greeting Circle: The children started the morning with the 'Good Morning' song followed by our daily morning greeting with Fernando the Frog 🐸. Then, we began introducing the topic of the week, pets. We listened to the song 'B-I-N-G-O', 'The Alphabet Song', 'Old Gray Cat', and 'My Dog Rags'.

Our Wonderful Word of the Week: Veterinarian 🐾🐱

Books read: 'Sara Sidney's Special Day' and 'Jasper's New Bed'

Vocabulary words we learned: Pets, Veterinarian, Pet Trainer.

Small group: For our small group, Rainbow Door made a pet fish in a fish bowl! This craft turned out super cute 🐟! We also traced our letters for this week which were 'Pp' and 'li'.

Stem: Children were asked to pick a favorite animal after being shown a chart with a picture of each animal. We then graphed each answer the child chose and counted to see which animal was chosen the most and which was chosen the least.

Have a nice weekend,

Ms. Ashley
