Dear Red Door Parents!

This week's theme is counting!

Circle time/music: "Morning Songs, 1,2 Buckle My Shoe, Ants Are Marching One By One, 5 Little Ducks, and Shake Your Sillies Out". With Miss Clarice we danced and used the tambourine to help Miss Clarice make the perfect sounds. We then listened to a book with the guitar and heard the ocean drum!!

Art/small group: Monday we used our fine motor skills to use blocks to build and count! Tuesday we used construction paper and an ink pad to paint the hands and stick them onto the paper then helped them count how many fingers. Wednesday, we decorated our hand prints with stickers for example: 1 sticker for 1 finger 2 stickers for 2 fingers! Thursday we used Play-Doh and cookie cutters. Friday we have free art to use their journals to scribble.

Storytime:" 5 Shiny Stars, Cookies First Book of Numbers, Two Hippos Up On Sticks, Numbers Everywhere in Nature, and Brainy Baby 123s

Playground: The children's favorite time of day! is to jump, slide, run and use the tricycles. The children kick and throw the balls and swing on the swings!

Have a wonderful weekend!

Ms. Gabby & Ms. Karla
