

06/17/2022

Hello Parents!

We would like to welcome you and your child to Silver Door 1 and 2. Ms. Adriana is in Silver Door 1 and Mrs. Wanda is in Silver Door 2. We had a great week getting to know each other and playing in a new classroom with new friends.

This week we focused on Father's Day. Our students painted a truck, decorated a tie, and made some beautiful handprint crafts. We hope you enjoyed your time at our event.

We will be focusing on different themes every week. This theme was transportation. We read stories like Fire Trucks, Rescue Boats, and more. We also made a name train, a hot air balloon, and a sailboat.

For our STEM activity this week we did the Attraction Engineering book. In the book, we met the Omega Family who visits a theme park where all the rides are broken. The children worked together with the teacher to fix three different amusement rides. We did Robby the Rollercoaster, Merry the Merry-Go-Round, and Bob the Bumper Car.

Lastly, we had a fun in-house field trip to watch a show by the Miami Children's Museum Theatre Department.

Have a great weekend,

Ms. Adriana and Mrs. Wanda
