Dear Red Door Parents!

It was amazing meeting our Red Door students! They are doing amazingly in class 🥰

Storytime: Time for School, Mouse!, My First Day of Pre-school, Spot Goes To School, Spot Loves His Teacher, Little People School Bus, and My School.

Circle Time/music: we enjoyed the songs Good Morning, The Wheels on the Bus, Itsy Bitsy Spider, Rollie Pollie, (finger play), Two Little Houses All Closed Up Tight (make fists) Open Up the Window and Let the Light Out (open fists).

Music: "Freeze Song", the children's favorite song to dance to and move our bodies to! With Miss Clarice, we dance and sing and we take turns playing with instruments we also love listening to the ocean drum at the end of music class!!

Small group/art: we used construction paper and crayons to scribble! On Tuesday, we colored our hands to make hand prints and had a blast! On Wednesday we used different colors with Do.A.Dot markers to paint our paper. Thursday we had free art of their choice. Friday we used paper, leaves, and glue to tear and glue to our paper!

Playground: The children's favorite time of day! Going outside to play! They enjoy riding their tricycles and going up and down the slide, playing with balls throwing and kicking them! We also love riding the swings and the train!!

Have a lovely weekend!!
