Dear Parents,

This week we learned about the beautiful country of Ukraine UA located in Europe. We showed them pictures, videos, and dances of the ukrainian people. They learned about the flag, that blue means the sky and the yellow means the wheat fields. They learned about all the great and different foods they have. Also the different traditional household items and some words in their language.

Circle time: We sang our morning songs, and did the calendar and talked about the amazing music and dances in Ukraine.

Art: The children painted the flag of Ukraine, they made the national flower sunflower, they created the Ukrainian boys hat and girls hat and lastly, they made the guelder rose.

Music and Movement: They learned some Ukrainian dances and music. They had lots of fun. Have a great weekend 😊

Ms. Krystelle, and Ms. Zlato.
