

06.03.2022

Dear Parents of Rainbow Door,

This week in Rainbow Door we talked about summer fun. During our Circle Time as usual we did the calendar, sang our morning songs, talked about the weather and assigned the children their jobs.

For art , the watermelon paper plate was a lots of fun . The children colored the paper plate then added googly eyes and the seeds. In making the popsicle craft the children cut the popsicle shape then added tissue paper, and added the popsicle stick to their craft. Paper plate beach ball was very simple and fun. The children painted a paper plate. In making a star fish the children will color a fish shape and then glue the sand.

For story time the children listened to these stories: The Night Before Summer Vacation , LLama LLama Sand and Sun, Secrets and Seashells at the Rainbow Bay, and Around the World with Lillian.

Playground time is not only for playing we also practice our gross motor skills. This week we ran three laps around the playground, had soccer class, had a basketball game with our friends, and jumped in place.

We want to thank you for sharing your children with us and for all your kindness during this school year. This is the last letter of the year we would like to thank all the parents for allowing us to teach your child. We have grown so much this year . We the teachers will miss all the children very much .

Wishing everyone a nice weekend!

Mrs. Miriam
