Dear Parents!

This week we traveled to Asia! We had a blast!

Circle Time/Music: We sang and danced to " Ni hao" (good morning in Chinese mandarin) ABC Song, Down By the Bay, If You're Happy and You Know It, Wheels on the Bus, and enjoyed music from Asian countries! We also enjoyed music class with Miss Clarice as she played the guitar and piano making different sounds. The children helped make the perfect sound with Miss Clarice using the tambourine and sticks!

Small group/art: We had fun using red paint to paint their paper and used a yellow star to glue to the middle of their paper. For fine motor, the children used peg boards and pegs to put the pegs into the holes. We then used crayons, markers and stickers to decorate a plate then the teachers later cut it into a fan. On Thursday we had water play! Using two containers one filled with water the children grabbed a cup to scoop and pour the water. On Friday we had free art paper and crayons to scribble!

Storytime: Chicka Chicka Boom Boom, Very Hungry Caterpillar, No More Diaper for Ducky, Goodnight Moon, and Brown Bear.

Playground: Playground time is a big favorite! The children run with their friends and teachers, catch bubbles, go down and up the slides, swing on the swings and we also like to keep an eye on the school turtle next to the playground!

Have a lovely weekend!!

Ms. Gabby & Ms. Karla
