In Language Arts and Reading, it was our last week of review. We reviewed the sounds for y, ending -es and -ies, and the - or/-ore sound. We also reviewed when to use is or are in a sentence, when to use was or were in a sentence and the prefixes -re and -un. We then played the game "Scavenger Hunt", where the students had to look around the room for a sight word. It was fun to find them.

In Math, we finished our last lesson on Representing Data. This week the students learned how to read a tally chart and how to make a tally chart. On Thursday they took their review test and on Friday was their Chapter Test.

In Social Studies, we finished our books for the year. This week the students learned all about people with authority, what a conflict is, how to solve a conflict, what a service project is, and important symbols of our country.

Parents I will like to say a HUGE thank you for the generous gifts. I couldn't have done this school year without you. I can't believe it is the end of the school year. I just wanted to say that it has been a privilege being your kid's teacher. I love each and every one of them.

Have a fantastic weekend!!!!

Ms. Sammy
