Dear Parents of Silver Door,

Reminder: Our End-Of-The-Year Drive-By will be happening for our Kindergarten and 1st Grade students!!!. We will begin our celebrations in the afternoon between 2 pm-4 pm on June 9th, 2021. All pictures, gifts, and certificates will be given out during this time. If you have any questions please feel free to message me through the Brightwheel app.

In Language Arts and Reading we are reviewing everything we have learned this year. This week we reviewed all the short vowels sounds like in the words chat, went, with, dog, and mug. We played "Make That Word Game" where the students had to make words with short vowel sounds. Everyone had a blast! We also reviewed nouns, cause and effect, fantasy vs realism, and action words. Next week we will keep on reviewing.

In Math, we learned about time. This week the students learned what a clock is and the parts of a clock such as an hour hand and the minute hand. They also learned how to tell time to the hour and to the half-hour. Next week we will play a time game and do a test.

We had no science this week, Instead, we focused on the topic mom since Sunday will be Mother's Day. The students loved making presents for their mother. They made a beautiful necklace, painted a gorgeous painting, and created a magnificent bouquet of flowers. Next week we will do a new science topic.
