Dear Parents,

This week, we were celebrating the day of Love and Friendship. During Circle Time, we talked about the tradition of Valentine's Day and how we celebrate it by sending cards, giving hugs, gifts and being nice and caring. We reviewed the letter from A to O and practiced spelling and writing the word LOVE and their first name too. We also practiced tracing the Heart shape, which is the symbol of Love.

For small group/Art, the children made the following projects: They made an owl using different heart shapes and we reviewed at the same time the meaning of big, medium, and small. They made a "heart man" with arms and legs to decorate the classroom. Finally, they made and decorated a Valentine's card for their parents using markers, crayons, stickers, and construction paper.

For Story Time, we read: "Valentines Express" "Big Shark Valentines" "Where Is My Hug?" "The Day It Rained Hearts" and "The Best Valentines Ever".

On Friday, we had an amazing Valentine's Day; the children were very excited and happy to exchange their Valentine's cards.
